Dear parents and friends,

Another season has flown by and we are excited for everyone to see the Tempo students progress today! We are so very proud of all of them. Thank you for sharing your kids with us all year long.

I want to thank all my teachers for their dedication to the students and to the Tempo. Without your help while both Alycia and I were recovering from surgeries we could not have made this year as great as it was without you! We love you and are grateful to you everyday.

I want to let our competition team and their parents know how much we appreciate all they do for the team and for Tempo. It takes a lot of dedication from everyone (and a lot of driving!) Thank you from the bottom of our hearts.

Sarah Kruger, 16 years of a relationship that is so blessed. Thank you for not just taking care of Tempos day to day operations but making sure our deadlines are met. Thanks for being our family.

Lora, James, Seth, my husband Steve and all our parents that make today possible.

And most of all, thanks to my daughter Alycia for being the best partner ever. You are a star!

Love you all,

Darla
